Skin's first defense for
maintaining youthful skin

ARTISTRY™ MULTI PROTECT SPF30

ARTISTRY Multi Protect SPF30 provides maximum protection against the damaging effects of UV exposure. It contains SPF30 and antioxidants to shield the skin from the assaults of the environment that can accelerate the signs of premature ageing, while providing continuous hydration.

COMPLETE BROAD SPECTRUM

ARTISTRY Multi Protect SPF30 provides broad-spectrum UVA/UVB protection.

FREE RADICAL PROTECTION

Contains Nutrilite-approved Vitamin E, a powerful antioxidant.

WATER RESISTANT/HYDRATING

ARTISTRY Multi Protect SPF30 provides more water resistance through the use of silicone-in-water emulsion and also provides more skin hydration.

RECOMMENDED ORDER OF APPLICATION:

CLEANSER, TONER, MOISTURISER, MULTI-PROTECT SPF30, FOUNDATION.

We recommend you use ARTISTRY Multi Protect SPF30 in addition to your TIME DEFIANCE Day Protect Moisturiser, as it protects your skin with our most powerful free radical protection available today and provides excellent skin hydration to help maintain youthful looking skin and the exchange of communication between cells.

This product uses an inorganic sunscreen system that can have a tendency to temporarily "whiten" during rub-in, therefore the formula is tinted for ease of blending on the skin. The flesh-tone tint helps to mask this temporary 'whitening' during application, however, the product doesn't leave any tint on the skin.
