## BEAUTY & THE DIRT

*Welcome to Mimi's world, you might never want to leave...*

### Funkhouser Fabulous

Make up artist, **Eddie Funkhouser's** range of cosmetics for **Amway** is deliciously different and infused with sparkling personality. We're loving the multi-tone **Bronzing Powder**, £26.32, that gives an oh-so glow, all wrapped up in some seriously **heavyweight packaging**. And, for those of us not ready to enter the **Amway direct** selling (or in our case, buying!), an **Amway Store** has opened in **Holborn** (Victoria House, Southampton Row), London so you can **shop 'n' go**.

Check out too the **Diva Palette** range, with 3 lip, 3 eye and 2 cheek colours all stashed away in a chunky silver compact. Buy **Eddie Funkhouser** and luxury line **Artistry Skincare**, currently making a splash with the glossies. [www.amway.co.uk](http://www.amway.co.uk).
