## It takes everyone to create opportunity for anyone.

We offer people an opportunity to succeed by helping others succeed. And it's on this solid foundation that the Amway legacy will continue. Our business leaders have a wealth of knowledge and understanding that they can share with others – and, in turn, help them achieve success. The strength of Amway lies in these caring relationships. Together, we can ensure that people around the world are given an opportunity to have a better life.
