# Steal the look

GENMA ARTERTON

**G**emma Arterton, former Bond girl and star of the latest blockbuster *Clash of the Titans*, normally opts for natural make-up when hitting the red carpet, but this time around she has gone for something a bit more dramatic on the eyes, and we think it really works. The key is to keep you lip colour and blush quite neutral.

The image displays several makeup products with their respective prices and names:

- €15 ARTISTRY CRÈME LIP COLOUR**: A tube of red lipstick.
- €30 LANCÔME TEINT IDOLE MINERAL FOUNDATION**: A tube of yellow foundation.
- €19 MAC PENULTIMATE BLACK EYE-LINER**: A black liquid eye liner pen.
- €11.99 BOSS EYESHADOW TRIO IN DIAMOND ROCK**: An open eyeshadow palette with three shades.
